XYZ Clinic & Diagnostics

Demo Knowledge Base • For RAG Testing

Important: This document contains fictional demo information created only for testing the clinic Telegram chatbot and RAG system. It is not a real clinic.

1. Clinic Overview

XYZ Clinic & Diagnostics is a multi-service healthcare center providing general medical consultations and pathology laboratory services. Patients can visit the clinic for doctor consultations, routine diagnostic tests, sample collection, and basic health-check packages.

Contact & Location

Clinic Name	XYZ Clinic & Diagnostics
Address	24, Green Park Extension, New Delhi, Delhi – 110016
Phone	+91 98765 43210
Email	care@xyzclinic.demo
Emergency Contact	+91 98765 43211

2. Clinic Timings

Monday to Saturday: 8:00 AM – 8:00 PM
Sunday: 9:00 AM – 2:00 PM
Pathology Sample Collection: 7:30 AM – 7:00 PM
Doctor Consultation: Based on the individual doctor's schedule.

Patients should confirm doctor availability before visiting for a specific consultation. Laboratory sample collection may have different preparation requirements depending on the test.

3. Doctors

Doctor	Specialization	Consultation Days	Timing
Dr. Arjun Mehta	General Physician	Mon, Wed, Fri	10:00 AM – 1:00 PM
Dr. Sana Khan	Gynecologist	Tue, Thu, Sat	4:00 PM – 7:00 PM

4. Pathology Laboratory

XYZ Clinic & Diagnostics has an in-house pathology collection facility. Samples are collected at the clinic and processed through the laboratory service. Patients should follow the preparation instructions applicable to their specific test.

Test / Service	Sample	Typical Availability
Complete Blood Count (CBC)	Blood	Daily
Blood Glucose – Fasting	Blood	Daily
Lipid Profile	Blood	Daily
Liver Function Test (LFT)	Blood	Mon–Sat
Kidney Function Test (KFT)	Blood	Mon–Sat

Thyroid Profile	Blood	Daily
Urine Routine Examination	Urine	Daily
HbA1c	Blood	Daily

5. Test Preparation – Demo Information

Fasting Blood Glucose: The patient may be asked to fast before the sample. Exact preparation should be confirmed with the clinic before testing.

Lipid Profile: Fasting requirements can depend on the doctor's or laboratory's instructions. Patients should confirm preparation requirements before the test.

Urine Routine Examination: The clinic may provide a sterile sample container and collection instructions at the laboratory.

General rule: Test-specific instructions provided by the clinic or doctor should be followed. The chatbot should not invent preparation instructions when the knowledge base does not contain them.

6. Frequently Asked Questions

Q: Where is XYZ Clinic located?
A: XYZ Clinic & Diagnostics is located at 24, Green Park Extension, New Delhi, Delhi – 110016.

Q: What are the clinic timings?
A: The clinic is open Monday to Saturday from 8:00 AM to 8:00 PM and Sunday from 9:00 AM to 2:00 PM.

Q: Does the clinic have a pathology lab?
A: Yes. The clinic has an in-house pathology sample collection facility for several routine diagnostic tests.

Q: Which doctors consult here?
A: Dr. Arjun Mehta, General Physician, consults Monday, Wednesday and Friday from 10:00 AM to 1:00 PM. Dr. Sana Khan, Gynecologist, consults Tuesday, Thursday and Saturday from 4:00 PM to 7:00 PM.

Q: Can I ask the chatbot for a diagnosis?
A: The chatbot should provide clinic information and general guidance from the knowledge base. It should not present itself as a doctor or provide a medical diagnosis.

Q: Can I book an appointment?
A: Appointment booking is planned for the next version of the system. For this demo knowledge base, the chatbot should not claim that an appointment has been booked.

7. Services & Visitor Information

Services currently listed for this demo include general physician consultation, gynecology consultation, pathology sample collection, routine blood tests, urine testing, and basic diagnostic health-check services. Patients visiting for laboratory tests should carry any relevant prescription or test request provided by their doctor. Report availability may vary by test and processing time.

8. RAG Grounding Rules

The AI assistant should use this knowledge base for clinic-specific questions. If the requested information is not present in the available documents, the assistant should say that the information is not available and should not invent a doctor, test, price, timing, report status, or clinic policy.
